Nursery	Class 1	Class 2	Class 3	Class 4	Class 5	Class 6
94.5%	90.7%	90.1%	89.1%	88.5%	86.5%	94.7%

Upcoming dates for your diary :-

- ⇒ 16.06.25 - Year 2 Fathers Day Breakfast 9.15am
- ⇒ 20.06.25 - Donation day - Wear your uniform back to front
- ⇒ 20.06.25 - Class 3 Forest School
- ⇒ 23.06.25 - Themed Arts week - Non uniform all week

Nursery

We have had a fantastic week in Nursery and have continued to learn about different zoo animals linked to our text Dear Zoo. We found out some really interesting facts about Sloths! We got to write our own letter to the Zoo asking them for our favourite animal. In Maths we learnt positional words (on and under). In Phonics next week we will be reviewing sounds we have learnt and we will chose our favourite rhyme for Rhyme of the Week.

Reception

We had a VERY exciting start to our new *Under the Sea* topic on Tuesday! We used different clues to discover that Smiley Shark (from our new book) had scared off some little fish with his big smile. Fortunately, they have found their way into our classroom to be looked after, by us! We got straight to work writing instructions to help everyone in school to know how to look after them! In Maths, we have been exploring shapes and how we can rotate and manipulate them to create tangram pictures. We also used these skills to decompose and compose shapes, to make pictures.

In Phonics next week, we will be reading **CCVCC**, **CCCVC** and **CCCVCC** words. These are longer words with consonant blends, for example s-qu-e-l-ch, s-t-r-*ing* and s-c-r-u-n-ch. Our Tricky Words next week will be were, here, little and says.

Year 1 - It has been lovely to see the children after the half term break and hear their news. In Phonics this week they have been busy preparing for the Phonics Screening Check. **Don't forget to keep practicing the alien words sent home during Parent Consultations.** In English the children began exploring a new English text: 'Paddington'. On Monday they enjoyed exploring clues before the main character was revealed, and they used this later in the week to write a character description. They also went on a 'virtual tour' of Paddington Station and wrote about what Paddington would have seen when he found himself there! In Maths the children have been using a range of addition and subtraction strategies including fact families, doubles and near doubles. In **Phonics** next week we will be continuing to review all the graphemes the children have learnt. Spelling focus this week will be words with the **-un prefix**. We will be reviewing the tricky words **once, call, friend, work**.

Year 2 - The children have settled back in brilliantly after the half-term break, and it's been a busy week! In English, we continued our work on non-chronological reports, with the children writing question and statement sentences to create fact boxes. In Maths, we explored length, and the children impressed us with their measuring skills using rulers, metre sticks, and tape measures.

In D&T, the children taste-tested traditional cabin biscuits, like those given to third-class Titanic passengers, before designing their own sweet and savoury versions, using ingredients to help with sea sickness. In Computing, they used ScratchJr to build their understanding of how programs follow a sequence triggered by specific events.

Weekly Phonics focus: Grapheme Review

Weekly Spelling focus: Why do some longer words have the spelling 'ti' for /sh/

Other School News!

The Primary Books Book Fair will be in school on Friday 13th June. Parents and Carers are welcome to visit the fair with children after school from 3:30-4:30pm in the hall. Please use the school office entrance to visit the fair.

Themed Arts Week will be taking place during the week beginning Monday 23rd June. We will be using **red, yellow, green** and **blue** arts media. If you have wool, material, old clothes, bottle tops, pipe cleaners, sequins, buttons etc in those colours (or anything else art wise) we would be very grateful for donations—thank you!

Just as last year, Themed Arts Week will be a non-uniform week for all children.

We are looking forward to Burman's first Science Day on Thursday 3rd July. We are busy planning an exciting and enriching day. We would love to welcome members of our Burman community who are involved in Science related jobs (e.g. engineer, dentist, vet, nurse, chef, gardener) to come into school and share with the children. Thank you to those who have already come forward. Please let Miss Jackson (Class 1) know if you would also be available on this day. Alternatively, please email the School Office.

Polite Reminder—Our school car park is not for dropping off or collecting children to/from school or clubs. Thank you.

Wishing our wonderful parents and children a blessed Eid! May your celebrations be filled with love laughter, and unforgettable moments shared with family and friends.
