Bertie's Bonus

Winners

Willow Class

Dates for your diary.....

- ♦ 1.10.2025 - Individual School Photographs
- ♦ 10.10.2025 - World Mental Health Day

Weekly Attendance

Well done to **Birch** this week For being Attendance Superstars, with an amazing **99.6%**

Oak	Ash	Birch	Beech	Willow	Maple
92.9%	95.9%	99.6%	99.1%	94.8%	97.4%

Nursery

What a wonderful first week we have had in Nursery! We are so proud of how well children have come in and settled each morning. We have enjoyed getting to know them and establishing routines.

Rhyme Time—next week we will be exploring the nursery rhyme 1, 2, 3, 4, 5, Once I Caught a Fish Alive. We will listen carefully to different sounds in the rhyme, count the syllables, listen for rhyming words and explore words with the same sound at the start of words.

Reception

This week has been our first full week at school and what a great week it has been! We are so proud of each and every person in Ash Class. Everyone has enjoyed getting to know one another and making new friends. We have started to learn all about routines for Reception and we have all tried our best. It was wonderful to see so many family members at our Creative Curriculum Super Starter Picnic! We look forward to learning more about you as part of our Autumn 1 topic, 'Families'.

Next week we will be starting **Phonics**. We will be learning the graphemes: **s, a, t** and **p**.

Year 1 - Year 1 have made a pleasing start to curriculum learning this week. Monday began with some fun hat making and the delivery of a mysterious letter as part of our Creative Curriculum Super Starter. It had been written by an unknown character who 'sailed the ocean blue' and 'had hidden treasure just for you'. This created great excitement amongst the children! Everyone followed clues around school, leading us to some golden, chocolatey treasure. The children soon identified our Autumn term Curriculum topic, Pirates! In English we have started to think about the role of the Captain from our half term text, 'On a Pirate Ship'. In Maths, we have counted and sorted in groups. Science has involved some enjoyable activities based on the season of Autumn as well as some lovely outdoor learning.

Next week, in **Phonics**, we will be reading words ending in **ing** and **ed**.

Year 2 - Well done to all of Year 2 for making an excellent start to the curriculum this week. On Tuesday, we had an unexpected visit from 'Detective Scooby from the History Bureau' as part of our Creative Curriculum Super Starter! This led us on a trail around school where we found some interesting clue bags. They gave us hints about the historical figures we shall be learning about this term in our 'People of the Past' topic. Everyone was very intrigued! In English, we have been learning to identify the difference between fact and opinion. In Maths, we have focussed on counting and partitioning numbers to 100. The children have also practised new presentation skills which will firmly support future Year 2 learning.

Next week, in **Phonics**, we will be reviewing tricky and common exception words.

Attendance

There continues to be a strong focus from the Department for Education on improving school attendance. We kindly ask that holidays are not taken during term time. At present, Burman's attendance is in line with the national average. However, without term-time holiday absences, our attendance would be above the national average. We thank you for your continued support.

Other School News!

We have all embraced our new class names this year and Bertie the Owl has been keeping his eye on all of the trees. As a reminder, please see the list below:

Nursery —> Oak	Year 1 Class 3 —> Beech	Year 2 Class 5 —> Willow
Reception —> Ash	Year 1 Class 4 —> Birch	Year 2 Class 6 —> Maple

Next week, Year 2 will be creating a 'material house' as part of the Science display in each classroom. We will be asking the children to bring in small examples of items that could be in rooms of a house, made of different materials. Thank you in advance for your support.
