- ◆ 20.10.2025 - Nest
Parent Consultations 1.15-3.15pm
- ◆ 22.10.2025 - Parent Consultations
- ◆ 23.10.2025 - Parent Consultations
(No dance club)
- ◆ 24.10.2025 - Non-Uniform Halloween
Theme £1 donation
- ◆ 24.10.2025 - Maple Forest School
- ◆ 27.10.2025 - 31.10.2025 Half Term
- ◆ 3.11.2025 - Children return to school
- ◆ 7.11.2025 - Beech Forest School
- ◆ 10.11.2025 - Odd Sock Day

Weekly Attendance

Well done to **Birch** this week For being Attendance Superstars, with an amazing **97%**

Oak	Ash	Birch	Beech	Willow	Maple
86.7%	94.9%	97%	95.5%	96.4%	92.7%

Nursery

This week we talked about who our friends in Nursery are and what makes them a good friend. We also talked about the different jobs that people do and what we might like to do when we grow up! In Maths we have been exploring patterns through reading and joining in with stories and songs with repeated lines. We particularly enjoyed *We're Going on a Bear Hunt!* **Rhyme Time**—Next week we will be exploring the nursery rhyme *Hickory Dickory Dock*.

Reception

This week in Reception we have learnt the phonemes h, b, f, l and practiced writing the graphemes. In Literacy we have been identifying and writing the initial sounds in words based on our book *Family and Me*. In Maths we have been creating our own rules for sorting objects, including lots of pasta!

Next week in **Phonics** we will be revising all the phonemes we have learnt so far.

Year 1 - This week in Year 1 we have been finishing our English genre- directions! The children have worked very hard and have written a set of real pirate directions and trick directions too! The children have also been able to follow their own directions to find their 'golden coin'. In Geography we have created our very own pirate maps! They have labelled different places on their treasure island and added their pirate pictures too. In Maths we have been learning about number bonds up to ten, which included resources such as counters and tens frames. In Science we have continued with our topic 'Materials'. We even had the opportunity to create a feely board- this is where the children stuck pieces of different materials to a board and worked together to write the correct name of each one. What a fantastic week it has been!

Weekly Phonics Focus: ay, ou, oy, ea

Year 2 - What a wonderfully busy week it's been! In English, the children have been applying their learning of past and present tense to continue a story. They thought of their own space-themed story scenarios inspired by our class text *Bob's Best-Ever Friend*, planned their ideas and then wrote their very own stories. They worked hard to include expanded noun phrases, past tense verbs, new vocabulary and accurate punctuation—what fantastic writers they are becoming! In Maths, the children have been using their number bond knowledge to solve more complex problems, including adding by making 10 and tackling three-digit addition problems. In History, the children deepened their understanding of Christopher Columbus before putting their acting skills to the test—taking on the roles of either Christopher Columbus or Neil Armstrong to answer questions in character! In Art, the children have created their own Lowry-inspired collages, using techniques such as tearing, crumpling, overlapping and folding, to build industrial landscapes full of texture and detail. In Science, they strengthened their investigative skills by testing the properties of different materials. Phew—what a busy and brilliant week of learning!

Weekly Phonics Focus: ie, y, ea, a (sounds: /eel/, /igh/, /i/, /el/, /ail/, /al/, /or/)

Other School News!

LSC are running a *Spooktacular Halloween Club* during the half-term break at Burman Infant School for children aged 4-11.

Please find the booking link below to secure your child's place.

https://wearelsc.co.uk/book_details/?course_id=16485

Don't forget!

Bring your pumpkin designs into school — it's £1 per entry, and judging will take place during Golden Assembly on 24th October.

We still have spaces available for Fun Club, which runs on Wednesdays from 3:30–4:30pm for Reception children. You can now book and make payment easily through ParentPay.
