- * 20.06.25 - Donation Day for the Summer Fair
- * 20.06.25 - Class 3 Forest School

Weekly Attendance

Well done to Class 5 this week For being Attendance Superstars, with an amazing 99.6%

Nursery	Class 1	Class 2	Class 3	Class 4	Class 5	Class 6
92.6%	98.5%	93.6%	96.8%	89.4%	99.6%	88.2%

Nursery

We have continued to enjoy learning and talking about lots of zoo animals this week linked to Dear Zoo. In EAD we have made our very own handprint zoo animals-we can't wait to show you these! In Maths we have started to think about 'more' and 'fewer' linked to amounts 1-5. Have a go at home.... *Who has more chocolates? Me, I have 4 and you have 2! I have 2 more.* Little Owls went to the Hall to continue with their PE skills-they had a go at trying to keep a balloon off the ground by tapping it for 10 seconds, then 20 seconds! They also passed the balloon to each other in a game similar to tennis! **Phonics** after half term will be **J** and Rhyme of the Week- **Twinkle Twinkle Little Star**

Reception

We enjoyed spending time in the Burman Garden again this week; adding soil to the potatoes, planting and weeding. We have continued to make careful observations of the seeds we planted in the classroom and how they are growing. We used our observations and the story *The Tiny Seed* to explore the life cycle of a plant. In Maths, we have continued to explore numbers from 11 to 20, including matching numerals to a set of objects.

In **Phonics** after half term, we will be reading CCVC and CVCC words which include a **consonant digraph e.g. sh i f t and t r u ck**. Our Tricky Words next week will be **some, come, love and do**.

With the weather warming up, please can we remind you to ensure your child's jumpers and cardigans are clearly named as we are having lots of confusion and jumpers left behind.

Year 1 - This week in English the children learnt about our new genre: Playscripts. They enjoyed acting out a playscript about 'Katie in London', deciding which character was speaking and carefully following the stage directions. They then planned and wrote their own playscript about when Katie, Jack and the Lion went on the London Eye. In Maths the children have compared groups by matching and used the symbols less than, greater than and equal to. In Science the children learnt about the difference between deciduous and evergreen trees. They enjoyed exploring and comparing a range of different trees and identified some common trees that we have at Burman. After half term in **Phonics**, the children will be preparing for the Phonics Screening Check. **Don't forget to practice the alien words sent home during Parents' Consultations.** We will be reviewing all the graphemes the children have learnt, with a particular focus on the split digraphs: **a-e, e-e, i-e, o-e, u-e.**

Year 2 - Year 2 have been absolutely amazing this week—every single child has worked so hard on their quizzes and shown brilliant focus and determination. We are incredibly proud of the effort they have put into their learning.

To celebrate all their hard work, the children were treated to a fun activity each day. They took part in an exciting obstacle course and played parachute games on the field, enjoyed a refreshing ice lolly in the sunshine, tested their paper aeroplane designs to see which could fly the furthest and had a fantastic time using fun PE equipment like foam javelins and skipping ropes. Well done Year 2—we are all so proud of you!

Weekly Phonics focus: a-e, e-e, i-e, o-e, u-e

Weekly Spelling focus: Why do some longer words have the spelling

Forest School Update

Class 5 had an artistic time at Forest School last week! Everyone enjoyed creating woodland weaving using bright wool and working in a team. We look forward to everyone being able to enjoy our creations in the spinney.

Other School News!

Burman Science Day

We are looking forward to Burman's first Science Day on Thursday 3rd July. We are busy planning an exciting and enriching day. We would love to welcome members of our Burman community who are involved in Science related jobs (e.g. engineer, dentist, vet, nurse, chef, gardener) to come into school and share with the children. Please let Miss Jackson (Class 1) know if you would be available on this day. Alternatively, please email the School Office.

Afterschool Clubs

There are a few places left at Reception Fun Club and KS1 Music Club that take place after school on Wednesdays. Details have been sent by ParentPay and if you would like your child to attend please contact the office.

Forest School Kit Reminder

Please ensure all children are provided with suitable Forest School kit for each session. Arms and legs must be fully covered for health and safety reasons. Children should also bring a change of shoes (wellies or boots). Thank you.

All of us at Burman would like to wish you a wonderful half-term break.
