Nursery

We are pleased with how Nursery are continuing to settle and develop independence. We had our very first trip to our school library this week. We talked about how to look after the books in the library. We also discovered that we all like different types of books! In Maths we practised sorting objects into different groups according to their colours. We explored what makes us feel different emotions and how we can show and manage these feelings. **Rhyme Time**—next week we will be exploring the nursery rhyme *Baa Baa Black Sheep*.

Reception

This week we looked at emotions and discussed what makes us feel happy and angry. We have learnt the phonemes *i*, *n*, *m* and *d* and practiced writing the grapheme too. We've had a go at matching socks in maths and using the vocabulary the *same* and *different*.

Next week we will start reading and in **Phonics** we will learning the graphemes: g,o,c,k

Year 1 - This week Year 1 have been busy planning and writing their own Pirate Stories in English. Some lovely ideas have been used linked to our half term text. Maths has involved counting backwards, finding less and comparing (including some domino fun!) As part of our Pirates topic, the children have explored school using a map in Geography. Art was excellent fun too on Tuesday. Everyone loved moulding with different media including different types of dough and clay. Weekly spelling homework was set on Monday and should be returned to school next Monday ready for our first spelling test.

Weekly Phonics Review /ail/, /eel/, /igh/, /oa/, /ool/, /ar/, /or/, /ur/, /ool/, /owl/, /oil/, /ear/

Year 2 - Year 2 have enjoyed another fantastic week of learning! In English, the children have been learning all about Neil Armstrong and comparing him to the character Bob in our class text. They then used their knowledge to create their very own fact files. In Maths, we continued our work on number and place value, focusing on ordering numbers and looking carefully at the tens and ones to place them correctly. In History, the children were lucky enough to meet two special visitors who shared their memories of watching Neil Armstrong land on the Moon on television back in July 1969. The children were so engaged and asked thoughtful questions, which helped deepen their understanding of this important event. In Art, the children explored different sketching pencils, learning how they can be used to create shade and tone. Well done Year 2!

Homework will also start today. The children will be bringing home their Homework Book, which should be returned to school on Monday.

Weekly Phonics Focus: /or/, /zh/, /ch/ and /sh/

Please be courteous to other drivers and pedestrians when dropping off and collecting children from school.

We all share the road, and a little thoughtfulness can make everyone's day brighter.

Other School News!

All children in Key Stage One (Year 1 and 2) need an Art Overall in school to protect their clothes during Arts activities. This can be an old long sleeved top, shirt or actual overall. Please ensure your child's overall is sent in to school by **Friday 3rd October** and is **clearly named**. Thank you.

Year 1 children will need a small, empty egg box for Art. We would be very grateful if any that you have could be sent into school by **Friday 17th September**. Thank you.

Message from Mrs Brockie (SENDCo) - Invites to termly review meetings will be sent out from the SENDCo email address—s7sendco@burman.solihull.sch.uk. Please look out for these emails, including checking junk/spam folders. Thank you.
