Weekly Attendance

Well done to Class 3 this week For being Attendance Superstars, with an amazing 97.6%

Nursery	Class 1	Class 2	Class 3	Class 4	Class 5	Class 6
86.9%	90.5%	93.2%	97.6%	97.1%	90%	96.7%

Nursery - What a super, colourful Arts Week we have had! We are so proud to have our new 'Houses'. Nursery children have looked at the work of Kandinsky to recreate some of his work using only their house colour. We have also learnt how to mix to make lighter and darker shades. We are so proud of how well Nursery managed our 'House Activity' morning. Being with their team, and not their class, the children visited 4 different activities and coped amazingly! We have printed and made super dance scarves. Today we make a 'colourful me' using mechanisms! **Phonics** next week: **'qu' & 'ch'**.

Reception - What a wonderfully, colourful Arts Week we have had! We have enjoyed exploring the work of different artists and their techniques. We created our own House shields using pointillism inspired by the works Georges Seurat. We explored printing artwork by Arlene Baines and created our own dancing scarves by printing repeated patterns in our House colours. In Design Technology we designed and made our own coloured flags for our House teams. In Music, we created *What a Wonderful School* inspired by Louis Armstrong! In **Phonics** next week we will be **reviewing our Phase 4 learning**. We will also be assessing children before progressing onto the last block. We have now learnt all of the Tricky Words for Reception—keep practicing! We will send out copies of all of the Reception Tricky Words in book bags next week.

Year 1 - This week the children have loved taking part in lots of arts activities as part of Themed Arts Week. They enjoyed finding out which Burman House they were in and worked together as a team to complete some House challenges. In Art they learnt about the artist Claude Monet and used his work as inspiration for their own sketching and painting of our Burman garden. They also explored using pastels and painting without brushes. They found out about the printing artist Beatriz Milhazes and created their own prints, resulting in a place mat in their House colour! In DT the children planned and made their own House bunting, exploring different textiles and using their knowledge of applique and decorations as a finishing technique. In Music they worked together to create their own House song.

Next week in **Phonics** we will be learning the graphemes: **su, si dge, y, ge**. Our Tricky words will be: **move, improve, parents, shoe**.

Year 2 - Year 2 have had a fantastic Arts Week, celebrating the launch of our brand-new Burman Houses — and producing some wonderful creative work along the way! The children were so excited to find out which House they belong to. In Art, they learned about Vincent Van Gogh, explored how to mix tints and tones, and practised colour-matching to recreate sections of his famous paintings. They also tried different fabric-joining techniques in preparation for making their own streamers, which they decorated in their House colours. The children enjoyed a morning of team-building activities, including dance, sports, parachute games, and a scavenger hunt — all designed to build collaboration and House spirit. In Music, each group learned, adapted, and performed a celebratory song for their Burman House. In D&T, the children investigated rotary mechanisms, built wells, and designed their own windmills. They also experimented with relief and monoprinting techniques to explore different printing methods. What an amazing week full of creativity, teamwork, and fun — well done, Year 2!

Weekly Phonics Focus: se, ce, ey, ui, ou

Weekly Spelling Focus: Year 2 Common Exception Words

Forest School Update

Year 1 had some super Forest School sessions last week. We enjoyed making magic potions that created so many different woodland smells. At the end of each session, we spread our magic around the spinney. There were puffs, flashes and even some growing children!

Other School News!

Burman Houses

Themed Arts Week 2025 has certainly been one to remember! We launched Burman Houses via a Super Starter Assembly and exciting team challenges. All children and staff are now part of a Burman House; Red House, Yellow House, Green House or Blue House. Throughout the week, children have completed a range of painting, printing, textiles, mechanism and music activities using their house colour. Outcomes have been absolutely fantastic and it has been wonderful to see team work developing. We are finishing with a wonderful Closing Ceremony full of house colour, fun and dance!

If the weather allows, we will be holding our Sports Day on Monday 30th June. Nursery and Reception children may come to school dressed in their PE kits. - Key Stage 1 children should come in their usual school uniform and will change into their PE kits once they arrive.

We are all very much looking forward to our Summer Fair on **Friday 4th July 3:45 - 5:45pm**. Thank you to the parents who have helped to prepare for the Fair so far. School would be incredibly grateful for any further offers of help on the day; before, during or after the Fair. We look forward to seeing our Burman families on the day. For further information, please see the Summer Fair Flyer (sent via ParentPay).

Our final donation day is Thursday 4th July! We are collecting bottles and would also love any cake donations to sell at our Summer Fair. Whether they are homemade or shop-bought, every little bit helps! Thank you so much for your support!
