Weekly Attendance

Well done to Willow this week For being Attendance Superstars, with an amazing

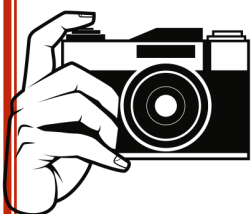

Oak	Ash	Beech	Birch	Willow	Maple
94.4%	93.1%	96.5%	97.8%	98.5%	96.2%

Nursery - We have enjoyed continuing to get to know our Little Acorns in Oak Class! We looked in the mirror to explore what we look like. We talked about the colour of our hair, our eyes, our ears and all the parts of us that make us wonderfully different to our friends. We painted our faces and had a go at making marks to represent ourselves. In Maths we have been exploring different collections of objects around the classroom and comparing amounts by saying whether groups have 'more' or 'fewer'. On Thursday, we enjoyed our very first P.E. lesson in the Hall and worked very hard to listen and follow instructions. **Rhyme Time**—Next week we will be exploring the rhyme *Humpty Dumpty*.

Reception - Ash Class have had another busy week! We have been looking at matching and sorting objects into categories in Maths, using the language of same, different and pair. We are also continuing to establish the routine of our Phonics sessions that take place first thing in the morning, after register. We have been reading our class text 'Family and Me!' and have been describing our own families when creating our own family portrait, using paint. In **Phonics next week**, we are learning the sounds g,o,c,k.

Year 1 – Year 1 have had another incredibly busy week and have worked so hard – we are really proud of them! In English, the children wrote their own pirate stories based on our class text, *On a Pirate Ship*. They had to think carefully about their sentences before writing them, making sure they remembered to use capital letters, full stops and finger spaces. We were so impressed by their efforts! While in Maths, we continued our work on numbers within 10, focusing on finding one more and one less, counting groups of objects and comparing numbers; the children enjoyed taking part in lots of practical activities to develop their understanding before applying their learning independently. In Art, we had a fantastic afternoon creating pirate-themed objects using a range of media, including clay, playdough and salt dough. The children thoroughly enjoyed getting creative and exploring the different materials! In Geography, the children put their map-reading skills to the test as they followed maps to find golden doubloons hidden around the school. They had a wonderful time exploring and putting their learning into practice! In PE, the children exercised their bodies by practising different movements, including galloping, skipping and hopping—they certainly managed to burn off some energy! Finally, in Science, we enjoyed some outdoor learning as part of our Seasonal Changes topic. The children made the most of the fresh air as they explored the school grounds, looking carefully for signs of Autumn and discussing the changes they could see around them. What a fantastic week, Year 1! You have all worked incredibly hard and thoroughly deserve a well-earned rest over the weekend. Well done, everyone! **Weekly Phonics Focus:** ai, ee, igh, oa, oo, ar, or, ur oo, ow, oi, ear

Year 2 - Year 2 have enjoyed another fantastic week of learning! In English, the children have been learning all about Neil Armstrong and comparing him to the character 'Bob' in our class text. They then used their knowledge to create their very own fact files. In Maths, we continued our work on number and place value, focusing on ordering numbers and looking carefully at the tens and ones to place them correctly. In Art the children have been comparing the work of Lowry and Bruegel to explore similarities and differences. The children were fantastic at spotting interesting features of the paintings, well done! In History we continue to learn about Neil Armstrong and the moon landing, next week we have got some exciting visitors coming into school, so watch this space! **Reminder:** Please can all Year 2 children have their PE kits in school each Friday. **Weekly Phonics Focus:** oo, air, ur, ow

Other School News! Individual school photographs will take place on **Tuesday 6th October 2026**. If you would like sibling photographs, please arrive at school by **8:30am**. Children will be photographed together first and then taken straight to their classrooms. Thank you.

SCHOOL CAR PARK – NO PARENT PARKING

A reminder that the school car park is NOT available for parent/carer parking at drop-off or collection times. For the safety of our children, families and staff, **please do not drive into or park in the school car park**. The car park is for authorised staff and visitors only. We are continuing to see parents/carers driving into and parking in the school car park. **We must ask that this stops with immediate effect**. Keeping our children safe is everyone's responsibility. Thank you for your cooperation.

After-School Clubs Reminder

A quick reminder that we have some fantastic **after-school clubs** running throughout the week:

Monday - Year 1 and Year 2 Football please contact Football Skills on 07880496632 or email office@footballskillsschool.co.uk

Thursday - Year 1 and Year 2 Afterschool Dance please contact Spotlight on 07855930745 or email spotlightdanceacademy@hotmail.co.uk.

Friday - Reception to Year 2 Afterschool Gymnastics please contact Stardust on 07986791999

Burman's Buddies is also open everyday and doesn't just have to be used for childcare - Come along and have some fun!
